Constitutional Amendment.

THE Constitutional Amendment to be voted on Tuesday is of great importance to cities but of little interest to those voters who do not live in cities. The purpose of it is simply to give to municipalities the right of local self control in the matter of municipal taxation for municipal purposes. This does not affect County or State taxation, or the tax that cities pay to County or State, but only gives to cities the right to determine for themselves how they shall raise the money necessary to pay municipal expenses. The question is one of great importance to cities and the amendment should carry by a tremendous majority. We call the attention of the voters of Paris and Bourbon County to the importance of this amendment and urge that Bourbon give a large majority in favor of it. Indeed we can see no reason why any person who votes on this matter should not vote for the amendment.

To Sound Money Democrats.

THE importance of polling every Sound Money vote in Kentucky for Hindman cannot be too urgently insisted upon. When you go into the booth Tuesday put your stamp in the little square opposite Hindman's name—not under the device, but in the square opposite Hindman's name. Let that be the first vote you cast. Then if you do not intend to vote for the straight ticket be sure to pick out the Sound Money men and put your stamp in the squares opposite their names. Dudley and Violett should both carry this county by good majorities. We ask all Sound Money Democrats not to forget any of these candidates, and to be certain that your vote will be counted, mark in the square opposite each name.

If Hindman should poll 35,000 or 40,000 votes in Kentucky so that it would be plain that the sound money men held the balance of power in the State we would have no further trouble with the silvea question. Let every Sound Money Democrat stamp in the square opposite Hindman's name the first thing on entering the booth, and then, however else you vote, be sure not to skip any Sound Money candidate.

Gov. HINDMAN accepted the nomination for Clerk of the Court of Appeals and has made a gallant fight at great inconvenience. He does not expect to be elected. He is simply standing for a principle and he is doing it at a great personal sacrifice, and he desires the support of every Democrat in Kentucky who is opposed to Bryanism and the Chicago platform. A vote for him is a vote to bring the party back to its old moorings and to restore a Democracy united on the old beliefs of the party.

THE National Democrats of this county are intelligent enough to understand the importance of making their candidate poll as large a vote in the state as possible, and will do their duty. Make it your first duty on entering the booth to vote for Hindman and then look after the balance of the ticket. Stamp opposite his name, not under the device, but opposite his name.

BEFORE entering the booth be certain that you know how to make your ballot. You will want to vote for somebody else besides Hindman. Put your mark in the square opposite his name first, and then pick out the other candidates you want to vote for and mark opposite their names. That is the sure way.

HINDMAN'S name will be found on the ballot under the head of Thomas Jefferson. Vote for him by stamping in the little square opposite his name. If you want to settle the silver question in Kentucky make Hindman's vote large enough to demonstrate that we hold the balance of power.

CANDIDATE BAILEY, Judge W. H. Holt, Judge Geo. Denny and Hon. John H. Wilson will speak at the court house this afternoon at two o'clock.

MR. BRYAN has declined to talk about New York politics. It is almost impossible to imagine Mr. Bryan refusing to talk.

EIGHT thousand people attended the grand barbecue given in Woodford by Mr. Warren Viley to Hon. Henry Martin. Speeches were made Mr. Martin, John Andrew Steele, Judge Yost, Gov. Hindman and Col. Breckinridge, and music was furnished by Saxton's band. The multitude consumed fifty-five sheep, three hives, six hogs, 1,000 gallons of burgoo and a car-load of bread.

THE fusion meeting at Lexington Wednesday night was attended by 2,500 people who were addressed by Judge W. H. Holt, Hon. W. W. Dickson, Hon. Pryor Foree and Judge Geo. Denny. Judge Yost and Col. Breckinridge were to have made speeches but the former was prevented by his wife's illness, and the latter by legal business in Louisville.

Consumption

Out-door life and Scott's Emulsion of Cod-liver Oil with Hypophosphites have cured thousands of cases of consumption in the early stages. They cure old, advanced cases too; but not so many, nor so promptly. When a case is so far advanced that a cure cannot be made, even then SCOTT'S EMULSION checks the rapidity of the disease, relieves the pains in the chest, reduces the night sweats, and makes the cough easier. In these cases it comforts and prolongs life. Don't experiment with cures that destroy the digestion. Pin your faith to the one remedy which has been THE STANDARD FOR OVER 20 YEARS.

Book about it free for the asking. For sale by all druggists at 50c. and \$1.00.

Dr. Miles' Heart Cure

Cures a Prominent Attorney.

M. R. C. PHELPS, the leading pension attorney of Belfast, N. Y., writes: "I was discharged from the army on account of ill health, and suffered from heart trouble ever since. I frequently had fainting and smothering spells. My form was bent as a man of 80. I constantly wore an overcoat, even in summer, for fear of taking cold. I could not attend to my business. My rest was broken by severe pains about the heart and left shoulder. Three years ago I commenced using Dr. Miles' Heart Cure, notwithstanding I had used so much patent medicine and taken drugs from doctors for years without being helped. Dr. Miles' Heart Cure restored me to health. It is truly a wonderful medicine and it affords me much pleasure to recommend this remedy to everyone."
